Crooked Whisky and Crooked Babcock. Sr. Louis, Nov. 30 .- In the Avery trial, Ex-Deputy Commissioner of Internal Revenue Rodgers and Ex-Commissioner of I nternal Revenue Douglass testified. Both showed Avery's connivance with the ring and detailed instances of his complaining when raids were organized without his knowledge.

The latter said that he recombended the transfer of both McDonald and Joyce to Philadelphia, that affairs in this district might be fully examined, but great pressure was brought to bear on the President to prevent this course, and the transfer was not made. In reference to the question as to whether Babcock came to see witness about retaining McDonald and Joyce in their district, counsel for Avery objected. General Henderson then stated he intended to prove that Gen. Babcock was in this Ring. He then introduced a number of telegrams, which, after being debated, were admitted as follows. The hand-writing of the last one was identified as that of Babcock: The latter said that he recommended
